

CAPABILITIES STATEMENT

Blue United Sourcing

ABOUT

Blue United Sourcing is a certified Veteran-Owned Small Business and full-service recruitment firm with unrivaled access to an elite talent network of veterans, military spouses, and civilian professionals. Our human-first approach and decades of real relationships with our talent network mean our clients don't just get candidates, they get the right people. Proven results include placing over 1,000 individuals in remote patient service roles within a single three-year engagement, delivering retention rates that outperformed industry competitors. From high-volume staff augmentation in Healthcare & Customer Support to specialized placements in Engineering, Skilled Trades, Office Administration and beyond, we deliver the right talent, fast.

Build-Your-Own Workforce Solution

Mix & Match talent by role, schedule, and location — tailored to your mission.

Training Facilitators

Facilitate singular workshops or cover multiple modules.
Flexible scheduling designed around program needs.

Patient & Customer Representatives

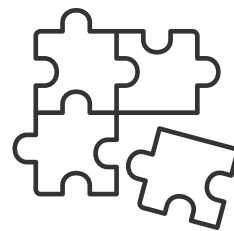

Data Intake, Insurance Verification, Case Management
Support, Scheduling, Inbound/Outbound Calls, and more.

Career Mentors & Educators

Experienced professionals who guide, teach, and empower —
ideal for TAP and workforce development programs.

Office Administrators & Program Managers

Organized, detail-oriented talent to keep your operations running
smoothly, online or virtually.

★ Supporting Transition Assistance Programs ★

Blue United provides skilled facilitators to coordinate and deliver programming for transitioning service members. Our Military Spouse talent can lead single workshops or multiple, recurring workshops across the full TAP curriculum. **One talent source. Total program flexibility.**

Ready to design your custom workforce?

Our dedicated Client Success
Managers will build a talent sourcing
plan tailored to your mission.
